Topsy Toddler Blues

Sometimes my feet go faster than me!
 I fall with a thump, and scrape my knee!
 But mama don't worry,
 It's only a phase,
 I only got the topsy toddler blues!

I reach for a cookie and spill my juice!
 I can't explain it! I got no excuse!
 I drive my mama crazy,
 Though it isn't my fault!
 I only got the topsy toddler blues!

I love to have fun each and every day!
 And doin' it all my own special way!
 When trouble's around, it always finds me!
 'Cause I have got the topsy toddler,
 Those toddler blues!

I leave out my books and toys everywhere!
 I bump into things I thought were not there!
 But mama, she loves me, though perfect I'm not!
 'Cause I'll outgrow the topsy toddler,
 Those toddler blues!
 Yes I'll outgrow (bang) Oops' there I go again!

The City Zoo

Old McDonald had a farm or so the story goes!
 But there's a place where you will find, all kinds of animals!
 Come with me... you shall see... Animals by the score!

There are....
 Cockatoos! Carabaos!
 A mangy moose! And Kangaroos!
 Alligators, Crocodiles
 All will wear their toothy smiles!
 A happy hippopotamus,
 Whose yawning mouth is bottemless!
 Seals and otters! In the waters,
 Doing what they think they gotters!

Yellowstone is famous for its geysers and its bears!
 But there's a place that I have found, it's quite extraordinaire!
 Come with me... you shall see... Animals by the score!

There are...
 Monkeys, apes and chimpanzees,
 All swinging in the highest trees!
 Zebras! Tigers! Striped in black!
 Camels with a humpy back!
 Possums playing peek-a-boo,
 And a stinky stunk or two!
 Hyenas who love to laugh,
 Let's not forget the tall giraffe!

The circus has its funny clowns and all its critters too!
 But no where will you find more critters, than the city zoo!
 Come with me... you shall see... Animals by the score!

There are...
 Loons, raccoons and big baboons,
 And beavers swimming in lagoons!
 Spotted cheetahs! Black rhinos!
 Elephants with one long nose!
 And oh my word, wait 'til you've heard,
 The chorus sung by every bird!
 Hopping hares! And panda bears, and penguins, oh so debonair!
 An ostrich with his head in sand! A lion king sits in command!
 Yes at the zoo you're sure to find.... there's animals of every kind!

The Monster 'Neath My Bed

I know I have a monster,
 Who lives beneath my bed!
 He is very, very shy,
 His name is bashful Ned!
 He has big eyes of blue...
 And he is oh so hairy!
 He's got the biggest smile I've seen,
 Not at all too scary!
 I have no doubt,
 He lives beneath my bed!
 At bedtime when the lights go out,
 Out pops old bashful Ned!

He often bumps his monster head,
 Or hits his knobby knees!
 He grunts and snorts!
 And sometimes burps,
 But he does not scare me!
 Now you may wonder why old Ned,
 Comes only in the night!
 He loves to watch the shining stars,
 That twinkle ever bright!
 So when at night,
 You hear sounds 'neath your bed,
 No need to be afraid, my friend,
 It's only bashful Ned.
 It's only bashful Ned! (Good Night Ned!)

Come With Me

Oh I went a wandering on a mountain top high,
 When along came a bird with wings blue as the sky!
 He sat on my shoulder as I walked along!
 Soon he was singing this sweet little song!
 Oh come with me, you will see!
 The world is much bigger when viewed from a tree!
 Come dance with clouds and touch the sky!
 Together we'll soar with the wind, you and I!

Oh I went a wandering one day down a beach!
 I spied in the ocean, just out of my reach!
 A wee happy dolphin, swimming along!
 He gave me a whistle, and sang me this song....
 Oh come with me, down under the sea!
 The ocean is peaceful, and big as can be!
 Come dance with stars 'neath the night sky,
 Together we'll play with the waves, you and I!

Oh I went a wandering in a meadow one night!
 There glowed in the darkness, a firefly's light!
 He flashed and he twinkled, as I walked along!
 Soon he was blinking, this sweet little song!
 Oh come and play! I'll light the way!
 The world is so quiet until break of day!
 Come dance with me, together we'll fly!
 Play hide-and-peek! And light up the sky!

Oh follow me! There's so much to see!
 The world is a big place, and grand as can be!
 Come dance and sing, from mountain to shore,
 Together we'll see all the world and much more!

I'm A Big Kid Now!

I'm a big kid now - oh look at me!
 I'm a big kid now - know my ABC's
 I can count to ten, and back again!
 Golly gee oh wow...I'm a big kid now!
 1-2-3, Oh follow me who knows what we will find!
 Every day brings something new and fun of every kind!

I'm a big kid now - oh look at me!
 I am busy as, the little bumble bee!

Daddy spread the news - I can tie my shoes!
Golly gee oh wow...I'm a big kid now!
Imagination's what I got, it takes me everywhere!
I can do most anything, I'm quite extraordinaire!
I'm a big kid now! Full of mischief too!
I'm a big kid now! Mama don't be blue!
I can lend a hand... oh ain't it grand!
Golly gee oh wow...
I'm a big kid now! (what do you think?)
I'm a big kid now! (an adorable stink!)
I'm a big kid now! Golly - Gee - Oh, Wow!

Tea in the Garden

Twiddle-le-dee, oh come with me,
And we shall have a cup of tea,
In the flower garden today!
Twiddle-le-doo, there's fun for you,
So stay and have a cup or two,
In the flower garden today!

"Can you tell me who will be there?"
"You and I and my teddy bear!"
"And what if it should rain, my friend?"
"Oh no... It would not dare!"

Twiddle-le-di, my friends and I,
Shall have our tea and apple pie,
In the flower garden today!
Twiddle-le-doe, before you know,
It's time to bid farewell and go,
I hope you had a good time!
I hope you had a good time!

The Pot of Gold

Every time a storm passes by,
I look for the rainbow up in the sky!
For the story I've heard, my friend,
There's a pot of gold at the rainbow's end!
I once wondered if I'd find that pot!
And I can tell you, I sure looked a lot!
Then I met a wee leprechaun,
Who gave me a hint to where his gold had gone!

Chorus
Oh leprechaun, Leprechaun, won't you tell me,
Where is your gold? Is it under a tree?
He gave me a smile, and said, "Don't you know?"
"You found all me gold a long, long time ago!"

Every time I see a rainbow,
I find a friend beneath its bright glow!
Together we watch with wondrous eyes,
The wee leprechaun paint and color the skies!
So whenever a storm passes you,
Look for the rainbow and leprechauns too!
And if you should stand 'neath its light with a friend,
You've found the gold at the rainbow's end!

(repeat chorus)

The Lucky Penny

Yesterday when I was blue, as blue as blue could be!
I looked with surprise for there at my feet,
A penny was looking at me!
I've heard stories, tales and fables,
That pennies could bring you good luck!
So I reached down to the grassy ground,
And scooped the penny right up!

Chorus:
Oh yesterday, I found a penny,
A penny, a penny for me!
Its head was up! Smiling good luck!
And oh, so pretty to see!

After I found the pretty penny, the pretty penny of mine!
The sun came out from behind the clouds,
The day was turning out fine!
Then I smiled, a wee little smile,
That was a mile long!
For the shiny penny I found,
Had brought out ol' mister sun!

(repeat chorus)

What do you think would happen if a nickel, a nickel I found?
Would I receive five times the luck, of a penny just lying around?
But I am happy as you can see! Happy as I can be,
For the shiny penny I found has brought good luck to me!

A Sweet Little Silly Song

Imagine if the sky were green,
And the grass was bluer, than blue!
And what if the sun shined during the night,
And in the day came the silvery moon!
How funny it would be, if the little monkey,
Was swinging from a tree of pink!

And wouldn't you laugh at a purple giraffe?
Oh what in the world would you think?

Chorus

I don't know, just why the Lord planned it so!
But to me, everything's where it should be!
Birds belong... flyin' high and singin' their song,
Just like I belong beneath a blue sky!

Oh what would you do if the kitty cat barked,
And the puppy dog said "Meow!"?
And what if the elephant sprouted wings?
Wouldn't that look odd now!
Would you flip your wig if the barnyard pig,
Woke up with a cock-a-doodle-doo?
And wouldn't it be sad if the bumble had
No honey for me and you!

Oh what if the rainbow had no end,
Or the little stars twinkled blue!
Picture a flamingo with green feathers on,
Or a fish with a song or two!
Hey diddle-diddle, there's a cat with a fiddle,
And he's playin' with a four piece band!
And twice I would look at a worm with a book,
Boy that tickles my funny bone grand!

(repeat chorus)

Now my friend we are at the end of my sweet little silly song!
The world goes around, because we have found,
Everything where it belongs!
Everything where it belongs!

My Teddy Bear

He's always beside me where ever I go!
My teddy bear, teddy bear...
Is sure to follow!
He's with me at bed time,
And at play time too!
My sweet little teddy bear,
Does all that I do!

Chorus
He's ragged and worn,
From head to toe!
His smile is lop-sided,
But I love him so!

He has a pot belly
From hugging him near!
My teddy bear, teddy bear...
Brings laughter and cheer!
He knows all my secrets,
And all my dreams too!
My sweet little teddy bear,
Will always be true!

(repeat chorus)

Though some day I'll grow up,
And leave him behind,
A new home, my teddy bear...
My little friend will find!
